

BOOK WEEK IN SCHOOLS 2020

AND THE WINNER IS...
By Craig Christie

Visiting schools across New Zealand to
celebrate the best NZ Children's Books of 2020!

Jonno has a solid gold ambition – to be crowned champion of something. Anything! The challenge is to find out what exactly he may be able to shine at. To complicate matters, every time he thinks he has the answer Claire is there challenging him! There is a story to be told but the question is who is going to get to tell it? Get ready to cheer, sing, dance and get involved as these characters go head to head with the audience towards the moment we hear the announcement '*And The Winner Is...*'

And The Winner Is... combines a love of reading and books with a celebration of diversity and competition in a production that ties in with the **2020 Olympics!** Watch a selection of the **best New Zealand Children's Books** come to life, encouraging students to **engage with reading in an active and energetic manner** and reinforcing the idea of **inclusiveness** and **celebration of endeavour** rather than competitive results.

"This was the first time I had taken part in this show. I thought it was absolutely fantastic, to the point, exciting and fun! Caters to all ages and the interaction is awesome."

- Papatoetoe Central Primary School, 2019

"What a fabulous interactive show! Our students could relate to the books as I have had them on display in the school library for the last couple of weeks. The theme was very relevant and our actors Sam and Lydia were amazing."

- Hobsonville School, 2019
